Notice of Deferred Action:

This notice is to inform you regarding U.S. Citizenship and Immigration Services's (USCIS) decision on your Form I-821D, Consideration of Deferred Action for Childhood Arrivals.

USCIS, in the exercise of its prosecutorial discretion, has decided to defer action in your case. Deferred action is an exercise of prosecutorial discretion by USCIS not to pursue the removal of an individual from the United States for a specific period. Deferred action does not confer or alter any immigration status.

Unless terminated, this decision to defer removal action will remain in effect for 3 years from the date of this notice.

This form does not constitute employment authorization, nor may it be used in place of an Employment Authorization Document. The 90-day period for reviewing Form I-765, Application for Employment Authorization, filed together with Form I-821D begins as of the date of this approval notice. If Form I-765 is granted, you will receive your Employment Authorization Document separately by mail. Subsequent criminal activity after your case has been deferred is likely to result in termination of your deferred action. This notice does not provide permission to travel outside of the United States.

You are required to notify USCIS if you change your address. You may use the Alien's Change of Address Card, Form AR-11, to report a new address. That form may be found at www.uscis.gov. There is no fee for this change of address form.

NOTICE: USCIS and the U.S. Department of Homeland Security (DHS) reserve the right to verify the information submitted in this request and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of the verification will be used to determine whether termination of deferred action and/or removal proceedings are appropriate if, for example, the requestor committed fraud or misrepresentation in his or her request for consideration of deferred action for childhood arrivals, or engaged in subsequent criminal activity following the submission of his or her request. Individuals for whom removal action is deferred under Deferred Action for Childhood Arrivals may, in the sole discretion of USCIS and DHS, be provided an opportunity to address derogatory information before deferred action is terminated and/or removal proceedings are initiated.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. Additional information about eligibility for adjustment of status may be obtained from the local USCIS office serving the area where he or she lives, or by calling 1-800-375-5283.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. The original visa petition has been forwarded to the Department of State (DOS) National Visa Center (NVC) 32 Rochester Avenue, Portsmouth, NH, 03801-2909. The petition indicates the person for whom you are petitioning (the beneficiary) wishes to adjust status to that of a lawful permanent resident in the United States. Because the petition was postmarked on or before April 30, 2001, the beneficiary is eligible to adjust status under Section 245(i). The priority date is the date the petition was physically received by the Service and is shown above.

When the beneficiary becomes eligible to adjust status based on the priority date of this petition, he or she may submit a copy of this notice, along with a Form I-485 Application for Permanent Resident, to their local Citizenship and Immigration Services (CIS) District Office where the beneficiary resides. Do not send the request to a CIS Service Center. Additional information about eligibility for adjustment of status can be obtained from the CIS National Customer Service Center (NCSC) at 1-800-375-5283 or by accessing the CIS web site at www.uscis.gov.

If the beneficiary elects to apply for an immigrant visa outside the United States based on this petition once the priority date is current and the visa is available, no further action by the beneficiary is necessary. The NVC will forward the approved petition to the appropriate consulate to complete visa processing. The NVC will then contact the beneficiary concerning further immigrant visa processing steps.

In the event the beneficiary decides to change his or her original visa application location, he or she must submit a copy of this notice, along with a Form I-824 Application for Action on an Approved Application or Petition to the local CIS District Office or DOS Consulate in the respective country.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.
