Notice of Deferred Action:

This notice is to inform you regarding U.S. Citizenship and Immigration Services's (USCIS) decision on your Form I-821D, Consideration of Deferred Action for Childhood Arrivals.

USCIS, in the exercise of its prosecutorial discretion, has decided to defer action in your case. Deferred action is an exercise of prosecutorial discretion by USCIS not to pursue the removal of an individual from the United States for a specific period. Deferred action does not confer or alter any immigration status.

Unless terminated, this decision to defer removal action will remain in effect for 2 years from the date of this notice.

This form does not constitute employment authorization, nor may it be used in place of an Employment Authorization Document. The 90-day period for reviewing Form 1-765, Application for Employment Authorization, filed together with Form 1-821D begins as of the date of this approval notice. If Form 1-765 is granted, you will receive your Employment Authorization Document separately by mail. Subsequent criminal activity after your case has been deferred is likely to result in termination of your deferred action. This notice does not provide permission to travel outside of the United States.

You are required to notify USCIS if you change your address. You may use the Alien's Change of Address Card, Form AR-11, to report a new address. That form may be found at www.uscis.gov. There is no fee for this change of address form.

NOTICE: USCIS and the U.S. Department of Homeland Security (DHS) reserve the right to verify the information submitted in this request and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of the verification will be used to determine whether termination of deferred action and/or removal proceedings are appropriate if, for example, the requestor committed fraud or misrepresentation in his or her request for consideration of deferred action for childhood arrivals, or engaged in subsequent criminal activity following the submission of his or her request. Individuals for whom removal action is deferred under Deferred Action for Childhood Arrivals may, in the sole discretion of USCIS and DHS, be provided an opportunity to address derogatory information before deferred action is terminated and/or removal proceedings are initiated.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
