		Notice Type: Approval Notice Section: Husband or wife of U.S. Citizen, 201(b) INA
Courtesy Copy. Original sent to: JANG, WILLIAM ILHYUN		
This courtesy notice is to advise you of action taken on this case. The official notice has been mailed to one attorney or representative indicated above. Any relevant documentation included in the notice was also mailed as part of the official notice.		
The above petition has been approved. The original visa petition has been forwarded to the Department of State (DOS) National Visa Center (NVC) 32 Rochester Avenue, Portsmouth, NH, 03801-2909. The petition indicates the person for whom you are petitioning (the beneficiary) wishes to adjust status to that of a lawful permanent resident in the United States. Because the petition was postmarked on or before April 30, 2001, the beneficiary is eligible to adjust status under Section 245(i). The priority date is the date the petition was physically received by the Service and is shown above.		
When the beneficiary becomes eligible to adjust status based on the priority date of this petition, he or she may submit a copy of this notice, along with a Form I-485 Application for Permanent Resident, to their local Citizenship and Immigration Services (CIS) District Office where the beneficiary resides. Do not send the request to a CIS Service Center. Additional information about eligibility for adjustment of status can be obtained from the CIS National Customer Service Center (NCSC) at 1-800-375-5283 or by accessing the CIS web site at www.uscis.gov .		
If the beneficiary elects to apply for an immigrant visa outside the United States based on this petition once the priority date is current and the visa is available, no further action by the beneficiary is necessary. The NVC will forward the approved petition to the appropriate consulate to complete visa processing. The NVC will then contact the beneficiary concerning further immigrant visa processing steps.		
In the event the beneficiary decides to change his or her original visa application location, he or she must submit a copy of this notice, along with a Form I-824 Application for Action on an Approved Application or Petition to the local CIS District Office or DOS Consulate in the respective country.		
The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.		
This courtesy copy may not be used in lieu of official notification to demonstrate the filing or processing action taken on this case.		
THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

The above petition and extension of stay have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
