The above petition has been approved, and cable notification has been sent to the listed consulate. You may also send the tear-off bottom part of this notice to the worker(s) to show the approval. Please contact the consulate with any questions about visa issuance. THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

Petition approval does not authorize employment. When the workers are granted status based on this petition they can then work for the petitioner, but only as detailed in the petition and for the period authorized. Please contact the IRS with any questions about tax withholding.

If circumstances change, the petitioner can file Form I-824 to have us notify another consulate of this approval. If any of the workers are already in the U.S., the petitioner can file a new Form I-129 to seek to change or extend their status based on this petition. Changes in employment also require a new petition. Include a copy of this notice with any other required documentation.

If any of the worker(s) included in this petition do not initially enter the United States, substitutions of different workers are not made, the petitioner must notify this office so the allocated nonimmigrant visa numbers can be re-used.

This courtesy notice is to advise you of action taken on this case. The official notice has been mailed to the attorney or representative indicated above. Any relevant documentation included in the notice was also mailed as part of the official notice.

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

WILLIAM JANG 314 E HIGHLAND MALL BLVD STE 406 AUSTIN TX 78752		Notice Type: Approval Notice Class: H1B1 Valid from 10/01/2000 to 04/01/2003	

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
