Subject: 212(e) Waiver Recommendation based on a(n) No Objection application

Dear Director Upchurch:

After a thorough review of the request, the Department recommends to the U.S.C.I.S. that the exchange visitor and members of the immediate family, if applicable, be **GRANTED** a waiver. Please note this does not include any member of the family who is subject to the residence requirement as a result of his or her own J-1 visa status.

Any other existing application(s) submitted to the Department, for the exchange visitor will now be closed. This concludes the Department's involvement in this case. Any further action concerning this waiver falls under the jurisdiction of the U.S.C.I.S.

This courtesy notice is to advise you of action taken on this case. The official notice has been mailed to the attorney or representative indicated above. Any relevant documentation included in the notice was also mailed as part of the official notice.

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change intemployment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, Arnval peparture Record. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for recentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

This courtesy copy may not be used in lieu of official notification to demonstrate the filing or processing action taken on this case.

The above perition has been approved. The perition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local INS office to obtain Form 1-485. Application for Permanent Residence. A copy of this mesce should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action/of an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself graft any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.
