The above petition has been approved.

The petition indicates that the person the petition is for is in the United States and will apply for adjustment of status. He or she should contact the local INS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local INS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved, and notification has been sent to the listed consulate. You may also send the tear-off bottom part of this notice to the worker(s) to show the approval. Please contact the consulate with any questions about visa issuance. THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

Petition approval does not authorize employment. When the workers are granted status based on this petition they can then work for the petitioner, but only as detailed in the petition and for the period authorized. Please contact the IRS with any questions about tax withholding.

If circumstances change, the petitioner can file Form I-824 to have us notify another consulate of this approval. If any of the workers are already in the U.S. the petitioner can file a new Form I-129 to seek to change or extend their status based on this petition. Changes in employment also require a new petition. Include a copy of this notice with any other required documentation.

If any of the worker(s) included in this petition do not actually enter the United States, substitutions of different workers are not made, the petitioner must notify this office so the allocated nonimmigrant visa numbers can be re-used.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. The original visa petition has been forwarded to the Department of State (DOS) National Visa Center (NVC) 32 Rochester Avenue, Portsmouth, NH, 03801-2909. The petition indicates the person for whom you are petitioning (the beneficiary) wishes to adjust status to that of a lawful permanent resident in the United States. Because the petition was postmarked on or before April 30, 2001, the beneficiary is eligible to adjust status under Section 245(i). The priority date is the date the petition was physically received by the Service and is shown above.

When the beneficiary becomes eligible to adjust status based on the priority date of this petition, he or she may submit a copy of this notice, along with a Form I-485 Application for Permanent Resident, to their local Citizenship and Immigration Services (CIS) District Office where the beneficiary resides. Do not send the request to a CIS Service Center. Additional information about eligibility for adjustment of status can be obtained from the CIS National Customer Service Center (NCSC) at 1-800-375-5283 or by accessing the CIS web site at www.uscis.gov.

If the beneficiary elects to apply for an immigrant visa outside the United States based on this petition once the priority date is current and the visa is available, no further action by the beneficiary is necessary. The NVC will forward the approved petition to the appropriate consulate to complete visa processing. The NVC will then contact the beneficiary concerning further immigrant visa processing steps.

In the event the beneficiary decides to change his or her original visa application location, he or she must submit a copy of this notice, along with a Form I-824 Application for Action on an Approved Application or Petition to the local CIS District Office or DOS Consulate in the respective country.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. The above petition has been approved. We have sent the original visa petition to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. NVC will then forward the approved petition to that consulate.

The NVC will contact the person for whom you are petitioning (beneficiary) concerning further immigrant visa processing steps.

If you have any questions about visa issuance, please contact the NVC directly. However, please allow at least 90 days before calling the NVC if your beneficiary has not received correspondence from the NVC. The telephone number of the NVC is: (803) 334-0700.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

We will soon mail you a new *Permanent Resident Card*. You should receive it within the next 3 weeks. You can use it to show your new status. When you receive your card you must carry it with you at all times if you are 18 or older. It is the law.

Please call us at (800) 375-5283 if any of the information about you shown above is incorrect, if you move before you receive your card, or if you don't receive your card within the next 3 weeks. If you call us, please have your A# and also the receipt number shown above available. The receipt number is a tracking number for your application.

Please read the notice that comes with your card. It will have important information about your card, about your status and responsibilities, and about permanent resident services available to you.

Your new card will expire in ten years. While card expiration will not directly affect your status, you will need to apply to renew your card several months before it expires. When the time comes and you need filing information, or an application, or if you ever have other questions about permanent resident services available to you, just call our *National Customer Service Center* at 1-800-375-5283 or visit the USCIS website at www.uscis.gov. (If you are hearing impaired, the NCSC's TDD number is 1-800-767-1833.) The best days to call the NCSC are Tuesday through Friday.

Once again, welcome to the United States and congratulations on your permanent resident status.

WILLIAM I. JANG LAW OFFICE OF WILLIAM JANG PLLC RE: [REDACTED] 314 E HIGHLAND MALL BLVD 406 AUSTIN TX 78752		PETITION FOR A NONIMMIGRANT WORKER PETITIONER [REDACTED] BENEFICIARY [REDACTED]	
		Notice Type: Approval Notice Class: E2 Valid from 02/24/2008 to 02/23/2010	

The above petition and extension of stay have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted an extension of stay who leaves the U.S. must normally obtain a new visa before returning. The left part can be used in applying for the new visa. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

WILLIAM I. JANG 314 E HIGHLAND MALL BLVD SUITE 406 AUSTIN TX 78752		Notice Type: Welcome Notice Section: Adjustment as direct beneficiary of immigrant petition COA: CR6

WELCOME TO THE UNITED STATES OF AMERICA

This is to notify you that your application for permanent residence has been approved. It is with great pleasure that we welcome you to permanent resident status in the United States.

At the top of this notice you will see a very important number. It is your USCIS A# (A-number). This is your permanent resident account and file number. This permanent account number is very important to you. You will need it whenever you contact us.

We will soon mail you a new *Permanent Resident Card*. You should receive it within the next 3 weeks. You can use it to show your new status. When you receive your card you must carry it with you at all times if you are 18 or older. It is the law.

Please call us at (800) 375-5283 if any of the information about you shown above is incorrect, if you move before you receive your card, or if you don't receive your card within the next 3 weeks. If you call us, please have your A# and also the receipt number shown above available. The receipt number is a tracking number for your application.

Please read the notice that comes with your card. It will have important information about your card, about your status and responsibilities, and about permanent resident services available to you.

Your new card will expire two years from when you became a permanent resident. By law your resident status is conditional, and you must apply to remove those conditions before your card expires. We recommend you apply several months before your card expires. When the time comes and you need filing information, or an application, or if you ever have other questions about permanent resident services available to you, just call our *National Customer Service Center* at 1-800-375-5283 or visit the USCIS website at www.uscis.gov. (If you are hearing impaired, the NCSC's TDD number is 1-800-767-1833.) The best days to call the NCSC are Tuesday through Friday.

Once again, welcome to the United States and congratulations on your permanent resident status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

The above petition and extension of stay have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival/Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted an extension of stay who leaves the U.S. must normally obtain a new visa before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant an immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.

		Notice Type: Approval Notice Class: E2 Valid from 12/18/2008 to 12/17/2010

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Any change in employment requires a new petition. Since this employment authorization stems from the filing of this petition, separate employment authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her form I-94, *Arrival-Departure Record*. This should be turned in with the I-94 when departing the U.S. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, with this office to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.
